Highly skilled and motivated Customer Service Representative with a passion for delivering exceptional customer care. Adept at resolving inquiries, providing information on products and services, and ensuring customer satisfaction. Experienced in research and data collection with excellent attention to detail. Committed to empowering and impacting the world's informal merchants. Seeking a role as a Customer Service Representative to contribute to an Africa-focused fintech firm and reshape financial services in the market.

WORK EXPERIENCE

CUSTOMER SUPPORT MANAGER

Prestmit | Nigeria | May 2023 – Present

- Acted as the primary point of contact for current and potential customers, addressing inquiries and providing information on products and services.
- Listened to and resolved customer challenges, issues, and complaints, ensuring a high level of customer satisfaction.
- Conducted thorough research and data collection to provide accurate and detailed responses to customer inquiries.
- Utilised excellent communication skills to engage with customers and build rapport, ensuring a positive customer experience.

PRODUCT MANAGER -

Konectar | Nigeria | Jan 2023 – June 2023

- Spearheaded the development and improvement of the Konectar platform, a B2B marketplace connecting farmers and businesses in Nigeria.
- Collaborated closely with Design, Data, Developers, Sales, and Product Owner teams to define product requirements and deliver user-focused solutions.
- Translated user feedback and business goals into product features, enhancements, and roadmaps, ensuring alignment with overall company objectives.
- Streamlined the collaboration process between design, data, and development teams, resulting in improved productivity and faster time to market.

PROJECT MANAGER

Brixenmore | Nigeria | Nov 2022 – May 2023

- Developed and executed comprehensive marketing strategies to generate leads and increase brand visibility in the Nigerian real estate market.
- Conducted market research to identify target demographics, analysed competitors, and identified growth opportunities.
- Implemented digital marketing campaigns across various channels, including social media, email marketing, and search engine optimisation (SEO).
- Collaborated with cross-functional teams to create engaging content, including blog posts, videos, and infographics, to attract and educate potential clients.

EXECUTIVE ASSISTANT

PKIS (Contract)| Nigeria | Aug 2022 – Sept 2022

- Responded swiftly to CEO requests for information by liaising with other internal teams to gather inputs
- Screened calls and emails and responded accordingly to support executive correspondence.
- Managed the business development for the CEO using tools like HubSpot, Salesfor
- Managed the CEO calendar, including scheduling multiple daily meetings and speaking engagements and social media platofrms

PRODUCT MANAGER

AIESEC | Canada(Remote) | Jan 2022 – July 2022

- Developed and executed lead-generation strategies to attract potential partners, sponsors, and stakeholders for AIESEC International's programs and initiatives..
- Conducted extensive research on prospects using Seamless.AI, Angelist, LinkedIn, Twitter, and other databases to identify potential leads for outreach campaigns.
- Implement lead nurturing strategies, including email marketing automation and personalised outreach, to guide leads through the conversion funnel.
- Collaborate with cross-functional teams to align lead-generation activities with overall organisational goals and objectives.

PRODUCT MANAGER

AIESEC | Liberia | July 2021 – July 2022

- Developed and implemented a global strategy and standard operating procedures for the organisation for 13 months.
- Used market research and analysis to create a supply and demand plan for seven countries
- Managed a team of 4 people & a department of 12 people to ensure that the plan was effectively implemented.
- Provided resources and support to help improve delivery efficiency and quality and worked with the outside sales team to identify and follow up on business prospects which contributed to an increase in clients for the organisation by 30%.
